YOGA SESSION REPORT

Date: - 19-August-2021 to 25-August -2021

Time: - 6.00 pm to 7.30 pm

'The real source of happiness is inner peace. If our mind is peaceful, we will be happy all the time, regardless of external conditions, but if it is disturbed or troubled in any way, we will never be happy, no matter how good our external conditions may be. External conditions can only make us happy if our mind is peaceful. We can understand this through our own experience. For instance, even if we are in the most beautiful surroundings and have everything we need, the moment we get angry, any happiness we may have disappears. This is because anger has destroyed our inner peace. We can see from this that if we want true, lasting happiness, we need to develop and maintain a special experience of inner peace. The only way to do this is to train our mind through spiritual practice – gradually reducing and eliminating our negative, disturbed states of mind and replacing them with positive, peaceful states. Eventually, through continuing to improve our inner peace we will experience supreme permanent peace of mind, or "nirvana." Once we have attained nirvana we will be happy throughout our life, and in life after life. We will have solved all our problems and accomplished the true meaning of our human life.'

Report on visit to National Lok Adalat

Venue: - District and Session Court, Shivajinagar Pune

Date: - 11-12-2021

The concept of Lok-Adalat is a unique Indian contribution to the prudential jurisdiction. In India, the notion of Lok-Adalat means "people's court," as the name suggests. At the local level, these systems are known as 'Panchayats' in India, and they have a long heritage and history of being used in society at the ground level or the early level. It has shown to be a very effective alternative to courtroom litigation. The 'peoples court,' also known as the 'Lok Adalat,' is an older concept of resolving conflicts by mediation, negotiation, or an alternate arbitral method. The tour gave the students a better understanding of how the Lok-Adalat works and how it serves the people, both in terms of the benefits and the disadvantages that the parties had to deal with as a result of the court's unavoidable faults. 16th Shankarrao Kanitkar National Moot Court Competition
22nd January 2022

REPORT

P.E.S. **Modern Law College**, Pune Shankarrao Kanitkar National Moot Court Competition is an annual moot competition conducted by the Progressive Education Society's **Modern Law College**, Ganeshkhind, Pune-16. This competition has been established in the name of our founder member of the society Late Shri. Shankarrao Kanitkar, a visionary in the field of education. This competition is intended to be a platform for law students studying all over the country. Here, these budding student advocates can match their advocacy skills with each other.

The 16th Shankarrao Kanitkar National Moot Competition was held on 22nd January, 2022. The problem dealt with farm laws which the government introduced and passed but then later withdrawn because of pressure groups and protests. As the case had many debates and deliberations on this point, special attention was required; hence the moot court competition was organized on this point.

Moot problem-

1. Hind Rashtra is a Democratic Republic country. Hind Rashtra has written Constitution identical to the Constitution of India 1950, having significant features like Social Justice, Federalism, Independent Judiciary, Separation of powers. The laws in Hind Rashtra are the same as in the Union of India. Hind Rashtra is a country with agriculture as the major occupation of its people. After independence in 1947, Hind Rashtra faced challenges in the agricultural sector.
2. In 1955 The Essential Commodities Act was passed to ensure corrupt traders would not hoard supplies from the consumer. The government took a view that structure of the agricultural sector was in need to reform, stating that there is need to undertake market reforms of decades-old and restricted Agriculture Produce and Marketing Committee (APMC) architecture.
3. The Government in 2020 introduced three bills and were passed in both the Houses of Parliament unceremoniously
 - a. Farmers Produce Trade and Commerce (Promotion and Facilitation) Act 2020
 - b. Farmers (Empowerment and Protection) Agreement on Price Assurance and Farm Services Act 2020
 - c. Essential Commodities (Amendment) Act 2020
4. The Act garnered bitter opposition in the Parliament. Various farmer organizations have also been protesting the Act across the country. It was apprehended by the protestors that these laws would lead to privatization of the agriculture sector. Farmers of Hind Rashtra have been protesting against these three Farm Laws and these Laws are described as 'Anti-farm Laws' by many Farmer Unions and politicians from the opposition who say it would leave farmers at the mercy of Corporates. Farmers also demanded the creation of Minimum Support Price (MSP) Bill to ensure that corporates cannot control the prices.
5. One of the states of Hind Rashtra, named as Maha Rajya filed a petition under Article 131 challenging constitutionality of these Farm Laws. These laws are challenged on the ground of violation of the principle of federalism which is the basic structure of the Constitution of Hind Rashtra.

Dr. Sumita Adhavi, Principal of Modern Law College inaugurated the function. She addressed the student about the competition and purpose behind such moot competitions. Report on visit to National Lok Adalat

Venue: - District and Session Court, Shivajinagar Pune

Date: - 12-03-2022

The students of Modern Law College, Pune visited the National Lok Adalat conducted in the Shivaji Nagar Court premises on 12th of March, 2022. A Lok Adalat is organized by the directions of Hon'ble Apex Court for speedy disposal of the cases and to reduce the pendency and burden on the Trial Courts.

National Lok Adalat disposed off more than 14.97 lakh cases in 1 day. Of these 7.33 lakh cases were pending cases, whereas the remaining 4.64 lakh cases were at a pre-litigation stage. The cases involved all types of civil, criminal, consumer, labour matrimonial matters as well as cases under the Motor Vehicles Act. The total settlement amount arrived at in all the cases, was to the tune of ₹3217 crores.

The purpose of the visit was to have a better understanding of how a court works and the nature of judicial employees' responsibilities in Lok Adalat cases. To comprehend how the old Indian culture of conciliation and dispute settlement in the form of Nyaya Adalat or Gram Panchayats led to the creation of Lok Adalats, which introduced a new chapter to the country's justice dispensation system. How does it give a secondary platform for victims to resolve their disputes in a satisfying manner?

The visit gave the students a better understanding of how the Lok-Adalat works and how it serves the people, both in terms of the benefits and the disadvantages that the parties had to deal with as a result of the court's unavoidable faults. The pupils saw a one-of-a-kind and efficient judicial legal system.

A Lok Adalat is organized every 3-4 months where matters are settled making the parties to arrive at a mutually agreed settlement between themselves, thereby saving years of litigation and cost incurred thereby. A team of 30 students of LLB First year students alongwith Asst. Prof. Prajakta Pimpalshende and Asst. Prof. Vikas Waghmare attended event.

.Following the attendance routine and a brief explanation of the process all the students attended Inauguration ceremony at Ashoka Hall. After the Inauguration ceremony students got opportunity to talk with Hon'ble Judges this was a very happy and memorable moment for them.

Students were sent to the court's information section, which exhibited all of the cases scheduled for hearing today Cases were separated into types and sent to different courtrooms. Students were asked to form groups of three to four people. After the initial group assignment, each group was assigned to a courtroom where they would attend the hearing; students were sent into their respective courtrooms where they attended cases pertaining to the Indian Contracts Act 1872, Civil Procedure Code 1908, Indian Penal Code, Arbitration and Conciliation Act 1996, and others.

International Yoga Day Celebration

Date: 21st June 2022

On September 27, 2014, during his speech at the UN General Assembly, Prime Minister Narendra Modi put forth his suggestion for the occasion of a 'Yoga Day'. A record 177 member states then endorsed the draft resolution proposed by India. The first International Day of Yoga was observed worldwide on June 21, 2015.

Practiced in India since the 5th century, Yoga has been beneficial in keeping the body and mind in sound health. A holistic approach, Yoga targets all the different systems of the body and mind. It is said that the asanas make the body strong and flexible, and as health improves, the mind too is renewed with confidence. The practice of Pranayama regulates the purification of the internal system and the organs, acting as a superior and able supplement to asanas. The energy generated in the body through these physical practices is then channeled into meditation or Dhyana for stability, peace, and calm.

To propagate the message of Yoga amongst its students, Modern Law College also organizes special sessions on Yoga and meditation for its students as well as its faculty members. This year also, the college organized a Yoga session for its students on the campus on 21st June 2022 at 11 am for its students and 12 pm for its faculty members. The session was conducted for both the faculty and its students by our B.A.LLB student Mr. Manoj Gaud is a trained professional in Yoga and its practices. In the session Manoj conducted Janvirsasana, Paschimotthanasana, Akarna Dhanurasana, Baddha Konasana, Navasana, Kandhasana, Supta Virasana, Matsyendrasana, Viparita Shalabhasana, Trikonasana, Trikonasana, Vrukshasana, Padmasana, Surya Namaskar.

The faculty members also participated in the program session enthusiastically and did the asanas skillfully. Principal madam and Vice-Principal madam also participated in the program.

Manoj Gaud explains the meditation practices to its students.

Certificate Course In Understanding the relationship between Women, Power, and Politics

This course is essential for understanding the contemporary issues of women in private and public spaces. The rationale for developing the course is to sensitize the students about the relation between women and power. This paper will help the students understand the fundamental issues women face in political life as participants. The paper shall be taught from a feminist perspective to understand women's role in family, community, and state. It will try to develop the appreciation of domestic labor and sex workers without making any moral judgment. The course develops an awareness of women's empowerment and appreciates women as independent and radical social agents. The first unit will deal with the concept and debates surrounding Patriarchy. The sex-gender debate says sex is natural and biologically given facts, whereas gender is culturally constructed. The culturally constructed nature of being a man and a woman is so opposite and so biased against women that it leads to male domination and the subjugation of women. Then we will talk about the distinction between public and private space from a gender perspective. Then comes the issue of power. Power in the sense of decision making, agenda-setting, and formation of thought. How far can a woman exercise power at these three levels? Then this course will deal with the history of the women's movement in India, work labor, and the ethics of child care.

Course Objectives:

1. to propose the idea of women as active participants in politics and national development;
2. to teach feminism as a method of study;
3. to develop a rethinking of women's labor;
4. to teach the dignity of labor of women;
5. to enhance gender equality in personal;
6. and professional life of the young minds; and
7. to equip the students for higher studies on gender issues
