MOOT PROBLEM

Moot Problem 1:

A v/s Secretary of Health and Family Dept.

A, was a 24 yr old single woman, having 3 sisters and a mother living in Banipur.

- She met B, a 28 yr old man and they had a live- in-relationship.
- During the cohabitation, A conceived their child.
- Due to this A asked B, to marry her for legitimizing their child.
- However despite multiple requests from A, B refused to marry her.
- Already plagued with responsibilities, A did not want to add up to her troubles by being a single Mother.
- A approached to the High court for seeking permission to terminate her 22 week pregnancy out of consensual relationship.
- High Court denied her permission by reference to the provisions of the Medical Termination of Pregnancy Act 1961, which allowed only married woman to undergo abortion after 20 weeks.
- She was not covered in any clauses under MTP Rules, 2003 on account of mental anguish, rape and health complications.
- She approached the Supreme Court on grounds of social stigma & harassment pertaining to unmarried single parent & continuation of unwanted pregnancy as it would involve a risk of the grave & immense injury to her mental, physical, social and financial health.

Issues:-

1. Whether the rule 3B (2) of MTP Rules 2021 is violative of Article 14 of the Indian Constitution since it excludes an unmarried woman & deprives her access to safe & legal abortion?
2. Whether denial of Right to abortion violates the right to privacy under provisions of Constitution of India?
3. Any relevant issue

Moot Problem 2:

Mr. Alok Nath Patil v. Dep. Speaker, Maharajya Legislative Assembly

Aryana is the largest democratic country whose laws are similar with that of India. There are many national as well as regional political parties contributing towards national politics. The State of Maharajya is one of the prosperous States of Aryana.

- In the year 2019, during the *Maharajya Legislative Assembly* elections, *People's Party* and *Garjana Party* contested the election jointly under the *Royal alliance*.
- There were two other Political parties who fought as *Forward alliance*.
- Due to power sharing conflict, *People's Party* and *Garjana Party* could not form the Government amicably. As a result, *Garjana Party* formed an alliance with the parties in the forward alliance and formed a separate "Maha forward alliance".
- In the month of June of 2022, one of the MLA's from *Garjana party*, Mr. Alok Nath Patil, claimed of having gathered the support of two-third MLAs declared himself as a leader of *Garjana Party*.
- Meanwhile, the leader Mr. SudhavAkhade who was the leader of *Garjana Party* called for an emergency party meeting in which the rebel Mr. Alok Nath Patil and his supporting MLAs remained absent.
- Hence Mr. SudhavAkhade as a result of clear rebellion urged for the disqualification proceedings to be initiated against Mr. Alok Nath Patil and his supporting MLAs for defecting from *Garjana Party* and it was approved by the Deputy Speaker of the *Maharajya Legislative Assembly*.
- On the same day, two independent MLAs moved a no confidence motion against the Deputy Speaker.
- The Deputy Speaker gave the rebellion MLAs two days to respond to the disqualification notice.
- In course of time, a no confidence motion was passed against the *Forward Alliance* as a result of the defection of Mr. Alok Nath Patil and his supporting MLAs.
- Subsequently Mr. Alok Nath Patil and his supporting MLAs formed an alliance with the *People's Party* & proceeded to form the Government in the State of *Maharajya*.
- Mr. Alok Nath Patil and his supporters challenged the disqualification proceedings before the Apex Court.

Issues:

1. Does the rebellion by Mr. Alok Nath Patil and his supporters amount to defection?

Progressive Education Society's **Modern Law College**

Progressive Education Society's Modern Law College, is founded on the maxims of 'Ignoranti Juris neminem excusat' and 'Lex facit Regem'. The Legal System in our country is based on the principle 'Ignorantia Juris neminem excusat' (Ignorance of Law Excuses No One), which is the presumption that all the citizens should be acquainted with law and are expected to follow the same, in its letter and spirit. One of the reasons for the above principle, besides social obligations is depicted in the vision statement of the PES MLC. The strength of legal education is also found in the maxim 'Lex facit Regem' (Law makes the King) If the law is stronger than the king himself, the significance of law and legal education in the life of a common man is of utmost importance. Thus, we can see that, Progressive Education Society established Modern Law College, Pune with a vision to provide quality based legal education.

Guest Lecture – Dr. Vinay Kapoor – Gender Equality Cell

On 15th December, 2022, Progressive Education Society's Modern Law College, Pune had the privilege of hosting a compelling guest lecture on the "Role of Women in the making of Indian Constitution", presented by Dr. Vinay Kapoor, a renowned advocate in the field of gender studies. The event, held at the (Venue), drew a diverse audience, including students, faculty, and members of the community, all eager to engage in meaningful dialogue about gender equality and inclusivity.

The lecture on the role of women in the making of the Indian Constitution provided valuable insights into the often-over-looked contributions of women during a crucial period in India's history. The speaker emphasized the pioneering efforts of several prominent women who played significant roles in shaping the constitutional framework of the country.

Highlighting the immense contributions of figures like Dr. B.R. Ambedkar, the lecture shed light on the less known involvement of women such as Hansa Mehta, Durgabai Deshmukh, and Ammu Swaminathan. These women, though not part of the Constituent Assembly, made substantial contributions through their advocacy, lobbying, and tireless efforts to ensure that women's perspectives were considered in the constitutional deliberations.

The lecture underscored how these women actively participated in debates, championing issues related to gender equality, social justice, and fundamental rights. Their influence was evident in the inclusion of provisions safeguarding women's rights in the final draft of the Constitution.

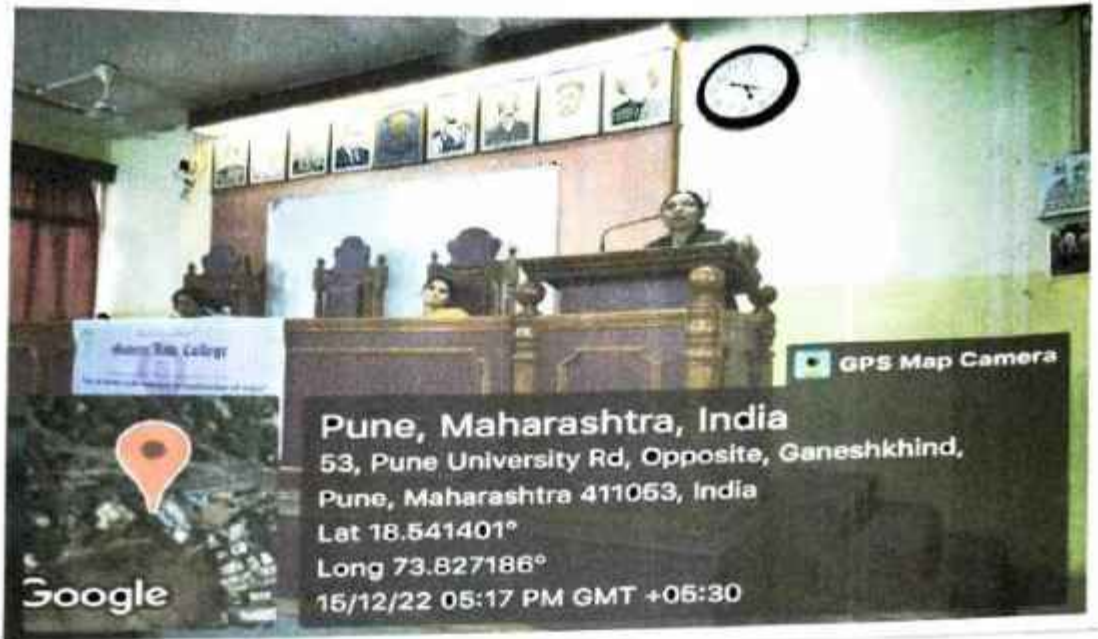

Overall, the guest lecture served as a poignant reminder of the pivotal role played by women in the formative years of India's constitutional journey, paving the way for a more inclusive and egalitarian society. It emphasized the need to recognize and celebrate the diverse voices that

contributed to the creation of one of the world's most extensive and progressive constitutions.
Asst. Prof. Susmita Vadhavkar was in charge of the event.

3. Oath: Students pledged to nurture their planted saplings into mature trees.
4. Counselling Sessions: During counseling sessions, students were encouraged to participate in the campaign.

The goal: Love the trees until their leaves fall off, then encourage them to try again next year

The plantation drive commenced with a brief orientation session emphasizing the importance of trees in mitigating climate change, improving air quality, and preserving biodiversity. Volunteers were provided with saplings of native tree species suited to the local ecosystem, ensuring their long-term survival and ecological relevance.

Menstrual Hygiene and Awareness Workshop Report

On 19th December 2022, PES Modern law college, SPPU hosted a comprehensive workshop focusing on menstrual hygiene and awareness, aiming to empower individuals with essential knowledge and resources for maintaining menstrual health. The workshop, held at the college itself, attracted 35 participants from diverse backgrounds, including adolescents, women, educators, and healthcare professionals. The faculty in-charge of the workshop was Assistant professor Vikas Waghmare.

The event aimed to address the lack of awareness surrounding menstrual hygiene among girls in both urban and rural areas.

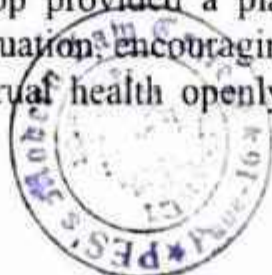

Key highlights of the workshop:

1. **Awareness:** Girls were educated about the importance of proper menstrual hygiene practices.
2. **Product Knowledge:** Participants learned about various menstrual products available in the market.
3. **Need Assessment:** A community assessment was conducted to identify schools requiring further intervention.

The workshop emphasised that menstruation is a normal biological process and a crucial aspect of reproductive health. By fostering awareness and providing essential knowledge, we empower young girls to embrace their periods confidently and maintain good hygiene².

Led by experienced facilitators and menstrual health experts, the workshop covered various topics, including menstrual cycle education, proper hygiene practices, debunking myths and misconceptions, sustainable menstrual products, and addressing menstrual-related challenges. Interactive sessions, group discussions, and informative presentations facilitated active engagement and knowledge sharing among participants.

Additionally, the workshop provided a platform for open dialogue and destigmatisation of menstruation, encouraging participants to discuss taboo topics surrounding menstrual health openly. Practical demonstrations on

menstrual product usage and disposal methods were also conducted to promote eco-friendly and hygienic practices.

By the end of the workshop, participants gained a deeper understanding of menstrual health and hygiene, equipped with practical strategies to manage menstruation hygienically and confidently. Furthermore, the event served as a catalyst for community-wide advocacy and action towards promoting menstrual equity and access to menstrual health resources.

PES Modern law college, SPPU remains committed to organising similar initiatives, advocating for menstrual health education, and fostering an inclusive environment where menstruation is viewed as a natural and celebrated aspect of life. Together, we can break the silence, eliminate stigma, and ensure menstrual health is a fundamental right for all individuals.

Report on Resume Writing seminar

"Marketing yourself is much important than marketing any product". Whenever you go for any job interview, your selection or rejection depends upon your Resume and presentation skills. In other words, Resume shows your personality at first glance. Many of people wonder, 'how to write resume' or 'how an ideal resume should be look like?'

To get answers of all the questions related to resume writing, Placement cell of Progressive Education Society's Modern Law College, Ganeshkhind, Pune organized a lecture cum seminar on Resume Writing and Interview Skills. The lecture is organized by Prof. Kaustubh Ghate and Dhanashree Patil of Modern Law College and conducted by Mrs. Swapna Menon. This seminar was conducted on 4th October 2022.

Mrs. Swapna Menon have army background and working in the Interview field since 10 years. She is one of the best mentors and expert I've ever seen. Like other regular speakers, she did not wasted time in introductions and formalities and changed the aura and energy of students positively within minutes. The session was more like communicative than one way speech. She started her session with the question to us, "Have you judged me by my entry and appearance?" After getting an affirmative answer she continued her session with great energy and positive attitude. She told us that, first impression is last impression and it lasts forever.

She also guides us on how to write resume. In the session she instructed us that one must work on grooming oneself decent enough at the least not to taint one's image, if not impress. She then moved on giving us guideline on how to write resume. Further, she mentioned that the resume should not be copy pasted from the internet or from any template, but should be actually self-typed or hand written and must show your qualities. The self-typed resume is best for selection because it shows the interviewer your confidence. Also she mentioned that the resume should not be more than 1 to 2 pages. The reason behind it is, the interviewer or recruiter doesn't have much time to look over your lengthy resume and it may affect your selection too. The interviewer looks your resume just for 5 seconds and not more than that.

While she was giving in handy tips on what to and what not to include in the Resume, she made us do a SWOT analysis. An analysis of our individual Strengths, Weaknesses, Opportunities and Threats. She asked everyone to make 4 columns on paper and write our Strengths, Weaknesses, Opportunities and Threats, 4 to 5 of each.

STRENGTH – It shows our positive factors or what qualities of us can be useful for the required job.

WEAKNESS – It shows lacunas in us which is stopping us or working as an obstacles to reach to our goals.

OPPORTUNITIES - These are the ways and means available to us in finding an employment.

THREATS – It shows and based mostly on external factors that may not be able to be controlled by us. E.g. competition, corruption, bias selection, Nepotism, Partiality etc.

Moving forward, Mrs. Swapna Menon showed us a tutorial on how to write a Resume. Basically she gave us an idea about an ideal resume which could be focused and assessed by HR and recruiters. An ideal resume must be short and crisp. She told us 5 important points of resume.

- 1) Name and Title – Your name should at the top most of your resume. Moreover, it should be with title tag like Innovator, Creator etc.
- 2) About yourself – In this column, you must present your skills and qualities. This section is kind of heart of your resume. You can write your qualities, your nature, your character etc. In other words, this column speaks about your motives and goals behind getting the job.
- 3) Present and Previous Organization – Here you can mention the organizations and firms with whom you have worked till the date. Also, you can mention your current organization and your position in the organization.
- 4) Educational Qualification – Here you must mention your education qualification since your school to the recent degree or diploma.
- 5) Skills and achievement – Here in this column, you must include your skills, achievements till the date, special rewards and prizes earned for performance etc. Also, You can include your extra – curricular activities and achievements in it.

Moving forward, she introduced us with the standard questions which are expected in the interview. The basic questions are – ‘Tell me something about yourself’, ‘Why should we hire you?’, ‘what do you know about us?’, ‘what are your strengths and weaknesses?’, ‘on what project you worked recently?’, ‘what difficulties you faced in the project?’ and so on.

Then, she gave us guidelines on how to approach to interview. Here she told us two ways to appear for interview. Firstly, before to interview, you should research on yourself as well as the organization in which you want to apply for job. You must be ready for any question regarding you and must be ready with some basic information of the organization. Later, you should be aware with the job description and general awareness. You must have knowledge of the position for which you have applied for and the work regarding it. Then, you must practice with mock interviews and recording.

Secondly, During the interview, Relax your mind. You should be confident and should not be nervous and hesitated, You must avoid long pauses or speedy talks during the interview. It shows your nervousness and lack of confidence. You have to talk and speak more than interviewer as it represents your communication skills and command over language and thoughts to the interviewer.

While ending the session, Ms. Swapna gave us some key points to remember on interviewing skills. She told us 5 main key points as follows –

- 1) Focus
- 2) Self confidence
- 3) Know your resume
- 4) Know the organization
- 5) Presence of mind.

Sapna Madam shared with us a STAR formula

S – Situation;

T – Tackle;

A – Alternative;

R – Result.

She advised us to always be prepared with this analysis about oneself as to how we have faced a crucial or difficult situation in our professional as well as our personal lives. The steps we took to tackle the situation at hand, the alternative solution that was found and ultimately how victoriously you emerged out of the problem i.e., the result.

Concluding the session, Asst Prof. Mr. Pravin Lokhande gave thanksgiving speech and expressed gratitude on behalf of the college and students for giving her precious time and knowledge with us. In the end, Swapna madam expressed her overwhelming experience and gratitude for inviting her to the college.

Central Jail Visit

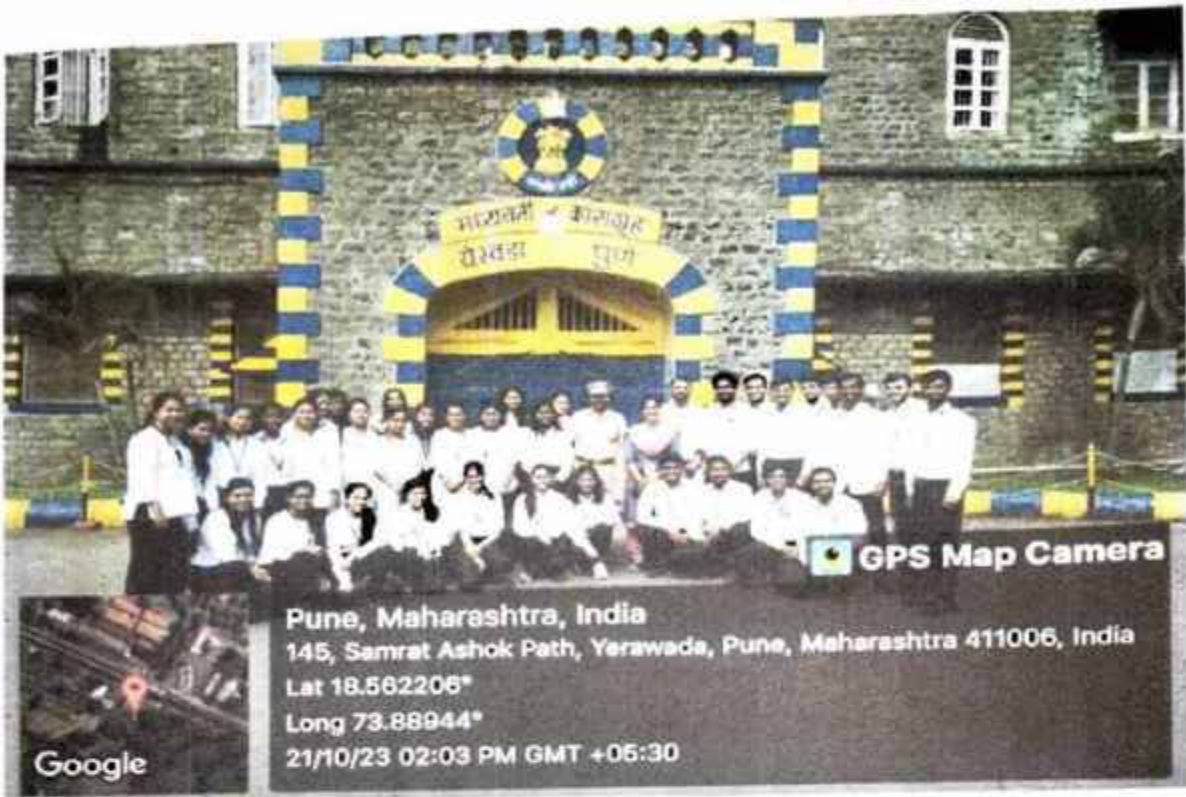

Modern Law College students visited the Yerwada Central Jail on 21st October 2023. It proved to be an enlightening and thought-provoking experience. Organized as part of their curriculum to provide a practical understanding of the criminal justice system, the visit aimed to bridge the gap between theoretical knowledge and real-world application.

Upon entering the Central Jail, students were greeted by the imposing structure that houses individuals awaiting trial or serving sentences. The visit included a guided tour through various sections, offering insights into the daily routines of inmates, the facilities provided, and the security measures in place. Students had the opportunity to interact with prison staff, including correctional officers and rehabilitation counselors, gaining a firsthand perspective on the challenges and complexities of managing a correctional facility.

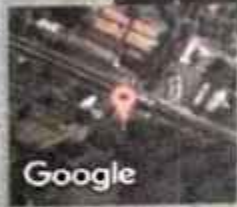

Witnessing court proceedings within the jail premises allowed students to observe legal processes in action, enhancing their comprehension of the judicial system. The visit also facilitated discussions on the importance of prison reform and the role of legal professionals in advocating for fair and humane treatment of prisoners.

Overall, the Central Jail visit was a valuable experiential learning opportunity for students, fostering a deeper understanding of the legal system's practical intricacies and the broader societal implications of criminal justice practices. Total 37 students participated in this visit and Asst Prof. Akshay Khabra and Asst. Prof. Archan Deshpande were in charge of this visit.
